year 2	Amount due to you (Ignoring Service Tax) : Rs. 100/- Of this, Rs. 25/-will be retained. The balance Rs. 75/- will be paid out in twelve tranches.
Year 3	<p>Amount due to you (Ignoring Service Tax) : Rs. 100/- Of this, Rs. 25/-will be retained. The balance Rs. 75/- will be paid out in twelve tranches.</p> <p>In this year, the 75/- rupees which is retained (25*3) will now be paid as 'Loyalty Commission' in the third anniversary month of that particular investment within the Folio.</p> <p>Hence the total payout will amount to Rs. 150/</p>
